**Arthur Rackham : Arthur Rackham's Book of Pictures (Dover Fine Art, History of Art)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arthur Rackham's Book of Pictures (Dover Fine Art, History of Art):

0 of 0 people found the following review helpful. Five StarsBy anne jewettLove Arthur Rackham's artwork. 1 of 1 people found the following review helpful. Great BookBy JKammerLove Rackham's illustrations. This volume contains many pieces not in other volumes. Contains fantasy and natural illustrations. If you are a fan of Rackham you'll love this book. 18 of 19 people found the following review helpful. Poor reproduction of picturesBy N. JiaThere is a nice foreword written by Elizabeth Congdon Kovanen, but the quality of the pictures are poor--I guess they are typical of the colored reproductions from that time (my copy is from 1979). But these reproduction are also too small, too--these illustrations were all based on elaborate drawings, and when they are scaled down too much the fine lines in

the drawing get lost.

This wonderful survey of the famed artist's early work features 44 color plates in addition to several black-and-white vignettes and spot illustrations. Most of the images depict fantastic dwarfs, giants, elves, and fairies as well as naturalistic illustrations far removed from the fairy world. An elegant offering for all Rackham fans, this volume includes many long-unavailable pieces.
