James Tschen-Emmons : Artifacts from Medieval Europe (Daily Life through Artifacts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Artifacts from Medieval Europe (Daily Life through Artifacts):

Using artifacts as primary sources, this book enables students to comprehensively assess and analyze historic evidence in the context of the medieval period. Provides a single-volume resource for using medieval artifacts to better understand the long-ago past. Supplies images of artifacts with detailed descriptions, explanations of significance, and a list of sources for more information, which help students learn how to effectively analyze primary sources. Presents a virtual window into many different aspects of medieval society and life, including particular activities or roles such as farming, weaving, fashion, or being a mason or a knight. Includes sidebars within selected entries that explain key terms and concepts and supply excerpts from contemporary sources.

"Recommended. Lower-level undergraduates and general readers." - Choice "The narrative is on the academic side, making this volume a fine resource on the time period for undergraduate-level students." - Booklist About the Author James B. Tschen-Emmons teaches history at North Idaho College and mythology at Northern Virginia Community College's Extended Learning Institute.
