**Peter Gray : Artist's Workbook: Animals** before purchasing it in order to gage whether or not it would be worth my time, and all praised Artist's Workbook: Animals:

0 of 0 people found the following review helpful. HelpfulBy Bill CoxAn interesting how-to do it book that has plenty of tips and ideas to help with using several tools when drawing and sketching animals. Well done.

Fascinating, endearing and endlessly varied, animals make inspirational subject matter for artists. In Drawing Animals, author and illustrator Peter Gray guides you through the stages of capturing animal shapes, behaviour and expression to create accomplished artworks. Whether you are a complete beginner or a more experienced draughtsman, the tailored step-by-step exercises and practical tips will help you get the most out of your animal subjects. This is another title in Arcturus' successful range of Artist's Workbooks, which also includes titles on: Portraits, Figures, Manga, Techniques, Landscape, Animals and Still Life.

About the AuthorPeter Gray is long established as an illustrator of books, magazines, and newspapers and has written

many books for adults and children, which have been published in many languages all around the world. He lives with his family in Suffolk.
