**Maureen Meister : Arts and Crafts Architecture: History and Heritage in New England** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arts and Crafts Architecture: History and Heritage in New England:

The first study of the origins and multiple expressions of New England's Arts and Crafts architecture

“In her portrait of a group of architects who practiced in Boston while promoting the English Arts and Crafts movement a century ago, Maureen Meister weaves sensitive descriptions of construction details and materials that

convey her intimate familiarity with the subject.” —Architecture Boston
