From Intellect Books : Arts Integration in Education: Teachers as Agents of Change (Theatre in Education) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Arts Integration in Education: Teachers as Agents of Change (Theatre in Education):

Arts Integration in Education is an insightful, even inspiring, investigation into the enormous possibilities for change that are offered by the application of arts integration in education. Presenting research from a range of settings, from pre-school to university, and featuring contributions from scholars and theorists, educational psychologists, teachers, and teaching artists, the book offers a comprehensive exploration and varying perspectives on theory, impact, and

practices for arts-based training and arts-integrated instruction across the curriculum.
