To?nu Puu : Arts, Sciences, and Economics: A Historical Safari before purchasing it in order to gage whether or not it would be worth my time, and all praised Arts, Sciences, and Economics: A Historical Safari:

This book deals with the economic aspects of changing attitudes in arts and sciences. The effects of the public good

character of culture, along with the very long production period and lifetime for its products, are emphasized, since both contribute to the failure of normal market solutions. Embodiment of ideas, and the consequences of modern reproduction technology for protection of property rights are closely examined.
