Lesley Wade Soule : As You Like It (Shakespeare Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised As You Like It (Shakespeare Handbooks):

The commentary at the centre of this Handbook introduces students to the play as it would be experienced in performance. Other sections provide basic information about the text and its first performances, a brief description of

the main political and cultural currents of the time and the popular kinds of entertainment, drama and comedy. Extracts from several comedies and Shakespeare's immediate source, Thomas Lodge's *Rosalynde*, together with all important elements of performance, case studies of key productions and a survey of critical writings on *As You Like It*, make this a comprehensive and wide-ranging study. Research for this publication was funded by the Arts and Humanities Research Council.

About the Author LESLEY WADE SOULE is Senior Lecturer in the Department of Drama at the University of Exeter, UK.
