Michael Freeman : Asia Home: Inspirational Design Ideas before purchasing it in order to gage whether or not it would be worth my time, and all praised Asia Home: Inspirational Design Ideas:

2 of 2 people found the following review helpful. hmmm, looks familiarBy tdbif you have other books on asian home decor, then you will notice they are also in this book.don't get me wrong, i like it but have seen the pics before in books i own or checked out at the public library (shout out to ur neighborhood library). so, if you desire a book that is the best of asian style, then get it.

Featuring hundreds of stunning photographs and thoughtful commentary, this Asian interior design book will add a distinctly Eastern flare to your collection. The global exchange of design and taste is at its most fertile between Asia and the West. Leading Asian designers and architects have reprocessed international ideas and functionality into the idiom of Asian cultures, from India to China, Japan to Southeast Asia. Asia Home is a wide-ranging look at contemporary design from across the region, featuring more than 100 homes and more than 50 top designers. It offers a unique archive of ideas for transforming, remodeling or adding to living spaces. Images and text are the fruit of many investigative journeys that the renowned author-photographer has made into the world of contemporary Asian design. Interior design topics include: Designing an Asian Dream Home The New Asian Living Room Stylish Asian Dining Rooms Asian Bedrooms and Bathrooms The Art of the Garden Asian Accents and Furniture

About the Author Michael Freeman has photographed extensively in Asia, both for magazines such as the Smithsonian, GEO and Conde Nast Traveler, and for numerous books. Among these are Sacred Places of the East, Sudan: The Land and the People, Japan Modern, and China Style.
