Louis Botto, Robert Viagas : At This Theatre: Revised and Updated Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised At This Theatre: Revised and Updated Edition:

0 of 0 people found the following review helpful. Great for NY Theatre history buffsBy R. KleinI love this book. I grew up in NY and attended a lot of theatre before the prices soared to over \$100 a ticket. Theatre used to be something you could take part in all the time for a very reasonable cost.This book provides a very nice history of each Broadway theatre, and traces the history of the shows that played in each house. It's like the "At this Theatre" feature in Playbill Magazine, but on a grand scale. Histories of the theatres are in-depth enough to get a good background on how they came to be, and a flavor of the people who built them, as well as how they got their names. Or how those names changed over time.There are a lot of photographs, too. Pictures of theatres, pictures from shows that played them, and photos of the stars who appeared in them.The index is well done so that you can look up information about specific theatres, shows, or people.If you enjoy theatrical history, or want to remember what you saw where, and who

was in it, you'll undoubtedly enjoy having this book around!0 of 0 people found the following review helpful. Great for theatre lovers!By BarbaraSo much fun to read the fascinating history of New York theatres - especially love to learn about a theatre just before seeing a play - makes the experience so much more interesting. Highly recommend.0 of 0 people found the following review helpful. If you like the short history found in the Playbill's, you'll love this book!By Capricorn5For anyone who has ever marveled at, or wondered about the architecture and interior design of one of the numerous Broadway theaters (houses), this book gives the history of each house, from creation, and ownership, to name-changes, the productions, and the stars who graced its (respective) stages. A great addition to any theater nerd's library collection.

(Applause Books). Theatregoers' favorite history of Broadway is back in an updated and expanded 2010 edition including more than 500 color production photos, vintage archival photos, and Playbill covers from all forty currently operating Broadway theatres. Thirty-eight of the original chapters have been expanded to cover all the shows that have opened in the ten years since the popular 2000 edition, with two new chapters added to include Broadway theatres recently refurbished and returned to life. This unique chronicle is the first work to present a detailed theatre-by-theatre roundup of players and productions that have enchanted audiences at Broadway's great playhouses from 1900 to 2010. The work is an expanded treatment of "At This Theatre," the popular feature in Playbill's Broadway theatre programs. "At This Theatre" offers playgoers instant nostalgia by listing notable hits (and some famed fiascos) that have played through the years in the theatre that they are attending. The book also pays tribute to the distinguished impresarios who built and managed these houses, and the brilliant architects and interior designers who created them. The original 1984 edition was created by Playbill senior editor Louis Botto. Botto worked with editor Robert Viagas on the 2000 update. With the third edition, Botto has passed the author torch to Viagas, who founded Playbill.com and the acclaimed Playbill Broadway Yearbook series, and who has written the updates in Botto's style.

About the AuthorRobert Viagas (Mamaroneck, NY) is the founder of Playbill.com, host of Radio Playbill, editor of Louis Botto's *At This Theatre*, and author of books including *I'm the Greatest Star!*, *The Alchemy of Theatre*, *The Back Stage Guide to Broadway*, and *On the Line: The Creation of A Chorus Line*. The assistant editor is Amy Asch, archivist for the Oscar Hammerstein II and Jonathan Larson estates.
