Great monologues they haven't heard beforeBy MonkeyDogWith more and more people asking for monologues under 2 minutes, and less and less new plays published, this book is a no-brainer for anyone looking for the short, but sweet, monologue that will get someone's attention and ear. There is contact information in the book, so you can (as far as I can tell) find out how to get the whole script if you want to do your homework on a particular piece - and if you can't find it online - which is a bonus. But I wish they also published more of these plays!0 of 0 people found the following review helpful. Wide range of options.By Jeff C.This book helped me get an A in my theater class.
