**F.H. Wittman : Autoclaved Aerated Concrete - Properties, Testing and Design (Rilem Recommended Practice)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Autoclaved Aerated Concrete - Properties, Testing and Design (Rilem Recommended Practice):

This is a comprehensive guide to autoclaved aerated concrete (AAC) for designers, specifiers, users and manufacturers. It provides a model code of practice for the structural use of AAC and provides designers with a complete guide to the struct...
