No printing from the Kindle versionBy Florida KayakerAway From Reality is a Jupiter Kids book and all of the Jupiter Kids Kindle coloring books seem to the same. You get 14 very simple designs that you cannot color but are meant to be a preview of the real book. You also get a link to download the images from 12 other books. These are the same books that you get when you purchase a Kindle coloring book from Speedy Publishing.Fortunately the Jupiter Kids books do tend to always be free. However, once you have downloaded one book and access the download for the other 12 books, I see no reason to purchase any other Jupiter Kids book.0 of 0 people found the following review helpful. Art Books = Ads...SHOW Us Designs BEFORE We Buy

#527...By classicsGGmaArt Books = Ads for the print versions of their coloring books. No download and nothing to print for coloring. What use are they to Kindle owners...None.Can't even be certain samples we get are for this particular coloring book, as they're used for other coloring books. Samples I saw looked like fashion models posing for the cameras.When we buy coloring books in stores we can look inside to see if we like the designs and check for any we already have. If you enjoy drawing like I do then you will probably like this book. Thank you.

IMPORTANT - EBOOK edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Escape from the stress of the living and into the imaginative world of fantasy. This coloring book will tickle your imagination while helping you master control and focus too. The purpose of coloring for adults is mostly therapeutic. The repetitive strokes and the smell of paper bring about a feeling of peace and calm. Buy a copy today!
