B.B. King : B.B. King - Anthology Songbook (Guitar Recorded Versions) before purchasing it in order to gage whether or not it would be worth my time, and all praised B.B. King - Anthology Songbook (Guitar Recorded Versions):

0 of 0 people found the following review helpful. Reconsidered my PurchaseBy T. WashingtonI actually put this back in the box for retun because I thought it had a CD to accompany the songs and tabs. It's probably better without the CD, as it forces you to really listen to the original work--it's an education in itself and so much I don't know about King's full range of music. Tabs are definitely in the intermediate level--super selection of music.5 of 5 people found the following review helpful. Excellent for mid-level blues guitaristsBy Still Hack'nI considered myself 'barely' a mid-level talent guitarist and I can tell you this book has definately helped put me comfortably in the 'mid-level plus' category. Now the big question is whether my playing really improved, or did just my confidence? But I guess it really doesn't matter since confidence is extremely important. It is difficult to find most of the recordings that this book was transcribed from - especially since he's done different versions of some of these songs. (I've only found 10 exact

matches). But I just tried to adapt what was written to the version at hand - and that was very inspiring. I found myself creating my own licks at times, and playing my own solos along with B.B.. Between this book and the Freddie King book, I've really climbed out of the rut I was in. 0 of 0 people found the following review helpful. Good variety of music but mostly from 50's. By MaryArrived when expected. Book indicated what performances the music was derived from, however still a little difficult to match it up. Good variety of music but mostly from 50's. Decent book for the price.

(Guitar Recorded Versions). The All Music Guide praises B.B. King in no uncertain terms as "the single most important electric guitarist of the last half century." This outstanding book in our Guitar Recorded Versions series provides note-for-note transcriptions with tab for 35 hits from this living legend from 1950 to 2000, including: Ask Me No Questions * B.B. Blues * Bad Luck Soul * Chains and Things * Five Long Years * I Want You So Bad * King of Guitar * Lucille * Paying the Cost to Be the Boss * Riding with the King * Sweet Sixteen * The Thrill Is Gone * Watch Yourself * and more.
