That being said, I could knit from this book every day!The patterns are very clear, even for a beginner! There really are so many cute hats in here that I don't feel like I bought the book for one pattern (and that has happened more than once!) I have knit the Flour Sack 4 times already! The Classic Cap pattern knits really well using Malabrigo Worsted yarn. I love the way it turned out! I have knit about 5 patterns in here so far and really can't wait to try them all!Overall, I think this book is a GREAT buy if you are looking to knit any newborn all the way up to small pre-teen hats! You will get years of use from this book, and some stylish kids!0 of 0 people found the following review helpful. Five StarsBy toniekbsweet book
