Definitely recommend for you to check this outBy Melissa ArnoldIf your'e a Backstreet Boy fan then you need to pick this up! This book really gives an inside look about the band and what really went on, and it comes from a personal experience from AJ's mom. She also really gives a detailed look into all of AJ's issues he had such as all the addictions. Definitely recommend for you to check this out.0 of 0 people found the following review helpful. AJ's always been my favorite! And now I know whyBy meredithAJ's always been my favorite! And now I know why! It was awesome to see how similar our relationship with our Mothers is. And I love the fact that since she was on the road with them for so many years you get a true sense of their life and the tours.

Backstreet Mom is the story of one single mother's courageous battle to save her son could be the story of any woman with a child in trouble.
