Richard Foreman : Bad Boy Nietzsche! and Other Plays before purchasing it in order to gage whether or not it would be worth my time, and all praised Bad Boy Nietzsche! and Other Plays:

Richard Foreman has been at the leading edge of the theatrical avant-garde in the United States and throughout the world since 1968. His legendary productions, written and directed by him at his Ontological-Hysteric Theatre have

influenced two generations of theater artists. This new anthology collects plays written and performed over six years, including *Now That Communism Is Dead My Life Feels Empty*, *Maria del Bosco*, *Panic (How to Be Happy!)*, *Bad Boy Nietzsche!*, *Bad Behavior* and *King Cowboy Rufus Rules the Universe*. Richard Foreman founded the Ontological-Hysteric Theatre in 1968. The theater is currently in the historic St. Marks Church, where he rehearses and produces one of his new plays each year, each play performing for 16 weeks every winter.

About the Author Richard Foreman founded the Ontological-Hysteric theatre in 1968. The theatre is currently in the historic St. Marks Church, where he rehearses and produced one of his new plays each year, each play performing for 16 weeks every winter.
