Ann Shen : Bad Girls Throughout History: 100 Remarkable Women Who Changed the World before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bad Girls Throughout History: 100 Remarkable Women Who Changed the World:

34 of 34 people found the following review helpful. History has never been more fun or inspiring! By eileen chai Full of beautiful artwork featuring 100 rule-breaking, precedent-setting women, this delightful volume is not only the perfect coffee table accent (all the pretty pictures!) but it's a brilliant and inspiring read to boot. The depictions are very stunning, and the write ups that accompany each illustration are jammed with useful tidbits of information. Who knew a history lesson could be so much fun? 2 of 2 people found the following review helpful. Beautiful book! By KimLove this book and highly respect this artist/author! Illustrations are beautiful and it is fun to learn little tidbits about some of the amazing women throughout history. This is a great coffee table book or children's book that I'd recommend for anyone! Excited to see what Ann Shen comes out with next. 0 of 0 people found the following review helpful. Great intro to amazing women through history By L. Tully Great book with brief interesting stories to whet

your whistle about what women through the centuries and all over the world have accomplished, even if they weren't all "bad," they're certainly entertaining! Great for my daughter to share--a good place to start if you want to research women who have accomplished things and paved the way for those who have come after them.

Aphra Behn, first female professional writer. Sojourner Truth, activist and abolitionist. Ada Lovelace, first computer programmer. Marie Curie, first woman to win the Nobel Prize. Joan Jett, godmother of punk. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. From pirates to artists, warriors, daredevils, scientists, activists, and spies, the accomplishments of these incredible women vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, *Bad Girls Throughout History* is a distinctive, worthy tribute.

About the Author Ann Shen is an illustrator and graphic designer whose bright, colorful style has been put to work all over the world. She lives in Los Angeles.
