Roger R. Stough : Barriers to Sustainable Transport: Institutions, Regulation and Sustainability (Transport, Development and Sustainability Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barriers to Sustainable Transport: Institutions, Regulation and Sustainability (Transport, Development and Sustainability Series):

The complexity of transportation systems and their negative social and environmental effects are today at the centre of attention. This book focuses on the impact of institutions and regulatory systems on transport systems and travel

behaviour. While institutions appear to play an important role in the economic success of many countries, this book considers the extent to which they also support sustainable development.
