Reynolds Okai : Basic Design and Technology for Junior High Schools: Volume IV before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Design and Technology for Junior High Schools: Volume IV:

Because of logistical difficulties and high costs, many schools in developing countries do not have easy access to textbooks. Worldreader addresses that problem using e-reader technology. Worldreader works with textbook publishers across the developing world to offer a range of digital textbooks to schools as part of their wider goal to promote literacy by bringing books to all.
