**Louis Priscilla : Basic Drawing (Dover Art Instruction)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Drawing (Dover Art Instruction):

0 of 1 people found the following review helpful. One StarBy hans47dose nothing to teach past its sell date

Unique in its presentation, Basic Drawing teaches by example. Through a profusion of self-explanatory drawings, simple rules of procedure are expertly illustrated for artists, enabling them to build a solid foundation in all aspects of art composition. Presenting informative facts rather than ideology, the author begins with perspective and progresses to the figure in movement; light and shade; and detailed anatomy such as the head, neck, facial features, back, hips, legs, feet, arms, and hands. Using hundreds of masterful illustrations from his own portfolio, Priscilla continues with drapery, composition, and trees and landscape, including outdoor sketching. A truly all-in-one manual that belongs on every artist's bookshelf, Basic Drawing outlines the fundamental skills of drawing with an effective and powerful

simplicity.
