before purchasing it in order to gage whether or not it would be worth my time, and all praised Basket Case Socks: E-Pattern from Toe-Up Socks for Every Body (Potter Craft ePatterns):

These comfy socks feature some intricate cabling. A nontraditional basket-weave design forms a traditional diamond shape on either side of mirror-image center cables. There are cable twists on every row, so this is a ldquo;pay attention as you knitrdrquo; pattern. Suggested materials include 1/super fine yarn, 2 US size 0 (2mm) circular needles, 2 US size 1 (2.5mm) circular needles, and a cable needle. Fits sizes small (7"), medium (8"), and large (9") foot

circumference.
