Five StarsBy Laura StaggWe loved the book0 of 0 people found the following review helpful. I wish there was more!By AD SeattleIt's hard to find books about Bayside. I figured this one would be chock-full of wonderful stories and history. But unfortunately, it's more about celebrities who lived in Bayside than about Bayside itself.

In 1824, a wealthy shipping merchant by the name of Abraham Bell purchased 245 acres in the area now known as Bayside. He created an upper and lower farm, bisected them with a country lane now called Bell Boulevard, and with this Bayside began to develop. Over the generations, Bayside evolved from its beginnings as a rural farming

community to a resort destination with lavish estates that lined the shore of Little Neck Bay. Later the town was transformed again into a commuter suburb touted by real estate developers for its scenic beauty and convenient location. Bayside chronicles the community's ever-changing history through this collection of vintage photographs culled from the Bayside Historical Society's archives.
