Aubrey Beardsley : Beardsley's Le Morte Darthur: Selected Illustrations (Dover Fine Art, History of Art)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Beardsley's Le Morte Darthur: Selected Illustrations (Dover Fine Art, History of Art):

4 of 4 people found the following review helpful. Great BargainBy Alan Dale DanielThis book is sold at a great price, and it is a nice size (11 x 8) so the pictures are easily viewed. This is, of course, only a selection, but it is a fun selection of excellent pictures which can be studied for the method employed or just for the joy of looking at the illustrations that helped make Beardsley's Le Morte Darthur so famous. Five stars for the affordable price, the size, and the well printed selection of drawings. Please note they are all black and white.

Beardsley's illustrations for the Dent edition of the great Thomas Malory classic made him famous virtually overnight. This volume contains a rich selection of those splendid drawings, including floral and foliated openings, fauns and satyrs, initials, ornaments, and much more. Characters from Arthurian legend are portrayed in 62 splendid full-page black-and-white illustrations.
