No download and nothing to print for coloring. Can't even be certain the samples they give us are actually in this coloring book, as they're also used for other coloring books. Again, these are the simple sampler designs that are in other coloring books of theirs. Based on these samples, will not recommend.What good are these coloring books to Kindle owners...None.When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already have. WHY Not

With it being a kindle book it has a download link in it so I can print out the hard copies to color. I love all of the details to color. It will keep me busy for hours on end.0 of 0 people found the following review helpful. Two StarsBy SeriouslyNot much to see here. You get what you pay for.

**IMPORTANT - EBOOK** edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Reserved for adults, this coloring book is made up of lines and curves that are hypnotically beautiful when colored. Coloring helps your de-stress or power up, depending on how you intend to use it. It's a powerful tool that fits your bag. Really, it's more cost-effective than therapy, so why don't you try coloring today? Grab this book now!
