**Suzanna Giamusso : Beautiful Life: Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Life: Coloring Book:

Appealing to all ages, "Beautiful Life" is the original book by Suzanna Giamusso. This beautiful coloring book features delicate and highly detailed pen-and-ink illustrations and they are waiting to be brought to life with color. The illustrations are complex and intricately detailed, some with tiny details, most with small details and a couple with medium details, so Colored Pencils, Gel Pens, or Ultra Fine markers work well in this coloring book.
