I was underwhelmed by both products. This book gives you some basic patterns to use with the Bedazzler but also spends several pages on another product that is unrelated to the Bedazzler. With regard to the patterns, they are simple enough to follow.0 of 0 people found the following review helpful. Grand daughter loved it!By Linda BLots of good ideas for my granddaughter, who wanted a Be-Dazzler for Christmas (which she received, of course). Probably more involved projects than she will ever undertake, but it was

still a nice accompaniment to the kit.1 of 1 people found the following review helpful. Getting started with a new hobby.By Purple Iris LadyThis book gives several interesting ideas for use of the bedazzler. You can take their ideas and add them to your own to end up with original and new projects!
