**John Berger : Bento's Sketchbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bento's Sketchbook:

4 of 4 people found the following review helpful. Berger is one of our great treasures. By Chris Marker Brilliant, as is everything Berger does. One of our great treasures. 0 of 0 people found the following review helpful. John Berger was a deep thinker who managed to make ... By Denny Taylor John Berger was a deep thinker who managed to make his thoughtfulness accessible to many people. I found his description of the desire to draw profound. This is a book I pick up and read a few pages and think about them before picking the book up again. Berger encourages readers to be thoughtful too and for that I am grateful. 0 of 0 people found the following review helpful. A jewel By

CustomerExcellent copy !

Bento's Sketchbook is an exploration of the practice of drawing, as well as a meditation on how we perceive and seek to explore our ever-changing relationship with the world around us. From the Hardcover edition.
