Norse mythology comes to life in raw, gruesome detail...easier to read than the classic text. Masterfully reworked by Gaiman and Avary, with an even better job of writing done by Caitlin Kiernan. She portrayed an in-depth and intimate understanding of each of the characters, well written!3 of 3 people found the following review helpful. Awesome BookBy tarl@Very good book. If you want to write screenplays it is very helpful. Has first and last drafts of the script which is awesome. Highly recomend.4 of 4 people found the following review helpful. beowulf the scriptBy M. HOESINGthis book - script is amazing, interesting, insightful. I would recommend this to anyone young and old. I can't wait to see the movie. I was very pleased that the description on .com was so correct on the product. thank you, dechelle

Who will come to the aid of beleaguered King Hrothgar, whose warriors have become the prey of the vengeful outcast monster Grendel? In the able hands of #1 New York Times bestselling author Neil Gaiman (*Anansi Boys*, *American Gods*) and Academy Award-winning screenwriter Roger Avary (*Pulp Fiction*, *Silent Hill*), a timeless classic adventure takes on a astonishing new life. Here are the initial draft and final shooting script of the star-studded blockbuster film from Paramount Pictures and Academy Award-winning director Robert Zemeckis (*Forest Gump*, *Back to the Future*), plus concept art, fascinating insights in the screenplay's evolution, an introduction by Avary, an afterword from Gaiman…AND MUCH, MUCH MORE!
