Rachael Hale McKenna : Best Friends Forever before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Friends Forever:

2 of 2 people found the following review helpful. Ideal for Alzheimer's activityBy Remembering 4 You (dot) ComMost adults who are diagnosed with Alzheimer's like to remember good times. These individuals have had young children of their own or now they have grandchildren. They know how much children and animals go together. This book allows a person who is living with Alzheimer's to reminisce and share lots of adventures about children/animals. I highly recommend this book, or any of Rachael Hale's books to give as gifts or use in activity with adults who are living with Alzheimer's or other dementias. See more at Remembering4You (dot) com.Dr. Ethelle LordPioneer in Alzheimer's Coaching0 of 0 people found the following review helpful. AdorableBy Faren J. KilpatrickEverything Rachel McKenna does is adorable! She has an incredible talent connecting with babies and animals. I love her work.0 of 0 people found the following review helpful. cute baby photosBy Annette RossI bought this book for my daughter, who is studying photography. There were some great photos in there, but I thought the book would be a little more instructional.

Best-selling photographer and author Rachael Hale McKenna is world renowned for her animal and baby portraits.

Nowmdash;for the first time evermdash;she combines her two favorite subjects in this irresistible collection of images featuring adorable babies snuggled up to their lovable furry companions, from puppies and kittens to bunnies and ducklings, and more! With uplifting quotes on friendship sprinkled throughout, *Best Friends Forever* makes a heartwarming gift for newborns and their parents, animal lovers, and anyone's own BFF.

About the Author Rachael Hale McKenna is a world-famous photographer and author. Her books have sold over 2.7 million copies in 20 languages. She lives in the south of France.
