Crosby, Nash, Stills : Best of Crosby, Stills Nash Songbook (Recorded Versions Guitar) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best of Crosby, Stills Nash Songbook (Recorded Versions Guitar):

9 of 9 people found the following review helpful. Incredibly detailed transcriptions of some very challenging songs By M. Woinoski I'm amazed at the level of detail of the transcriptions of these songs. All the vocals, including **all** harmony parts, are written out note-for-note (although you need to be able to read music notation; there's no tab for the vocals). And **all** the guitar parts (in some cases, 3 acoustic plus 2 electric!) are written out in both tab and music notation. And the tunings and capo positions for **all** the guitar parts are written out ("Drop D tuning, Capo II, D-A-D-B-G-E"). Fantastic! What an incredible resource! If you've ever wondered how CSN created those ethereal harmonies, or wanted to know exactly what was going on with all those intertwined guitar parts, buy this book! 2 of 2 people found the following review helpful. it's not providing the capability to zoom in to see the score easily. I would have

preferred full sized music sheet ...By Barry YounIt has the music, chords, all for Kindle. However, it's not providing the capability to zoom in to see the score easily. I would have preferred full sized music sheet and the capability to print it for my personal viewing. For books, Kindle is fine, but not for this style music sheets. Too small to view easily, even on my Windows PC 8 23" or Windows 10 15" notebook.LUV CSN though ! I can play their music all day.1 of 1 people found the following review helpful. Very useful tool for serious CSN fans.By Paul GouletMost of the tabs were pretty accurate. The alternate guitar tunings taught in this book are a real help in getting the songs right. My favorite thing about the book is having the vocal harmonies in print. It can be very hard to pull the 3 part harmonies out of a song and this book showed me how to do it. Awesome!

(Guitar Recorded Versions). 19 of CSN's best in note-for-note guitar notation with tablature. Includes: Carry Me * Carry On * Change Partners * Chicago * Dark Star * Deja Vu * Got It Made * Guinnevere * Helplessly Hoping * Just a Song Before I Go * Long Time Gone * Love the One You're With * Marrakesh Express * Our House * Shadow Captain * Southern Cross * Suite: Judy Blue Eyes * Teach Your Children * Wasted on the Way.
