David Bowie : Best of David Bowie Songbook: The Definitive Collection for Guitar (Guitar Tab) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of David Bowie Songbook: The Definitive Collection for Guitar (Guitar Tab):

1 of 1 people found the following review helpful. Wish there was more songs, but this is good.By Mainsail76I wish there was a Bowie tab book that had a larger selection of his songs, but this is all we've got for the time being. For the limited number of songs it has, it has a nice collection of his big hits, along with some of his lesser known (to those NOT Bowie fans) songs like "Station to Station," "TVC15," and "Diamond Dogs." The tabs are clear and accurate, and easy to understand even for a novice. I highly recommend this book for any guitar playing Bowie fan that wants the real tabs and not the inaccurate stuff you find on the internet.0 of 0 people found the following review helpful. Fame

and BowieBy kristen227Great, accurate book. Very clear guitar parts dissected. Thumbs up.7 of 7 people found the following review helpful. Great BookBy LambhatWe're working on a two-act David Bowie show. One with our impersonator playing Ziggy and one as the Duke. This book had all but one of the songs that we are playing in our act! All of the transcriptions are good and no mistakes found yet.

(Guitar Recorded Versions). Note-for-note transcriptions with tab for 13 top hits spanning the eclectic career of this innovative and influential artist. Includes: Changes * China Girl * Diamond Dogs * Fame * Heroes * I'm Afraid of Americans * Rebel, Rebel * Space Oddity * Station to Station * Suffragette City * TVC 15 * Young Americans * Ziggy Stardust.

About the AuthorDavid Bowie is one of rock's most influential figures. For over thirty years of recording and performing, his innovation has inspired and influenced a generation of performing and visual artists. He has continually and masterfully reinvented himself, from the glam rock days as "Ziggy Star-dust" to the goth-cyber of "Low" and "Heroes," and from the soulful rhythm and blues of "Young Americans" to the post-punk "Scary Monsters." Unlike many recording artists of his generation, Bowie remains insistently on the cutting edge of the popular culture. He now lives in New York City with his wife Iman and daughter Alexandria.
