Worth every penny. 0 of 1 people found the following review helpful. Rockin' with DokkenBy stephen zurekDokken is one of the best bands of the 80s and you would do well to learn these mighty riffs. George Lynch is amazing! Very accurate tabs will take some time to master. Paris is Burning! I gave it 4 stars because I really wanted more of my favorite Dokken tunes, but this book is still awesome. 1 of 1 people found the following review helpful. This is a great tab bookBy I. VeraThis is a great tab book, my only 2 complains are...they missed "Dream Warriors"! and as a Lynch-geek I can tell how wrong the "Mr. Scary" tab really is...not just fingerings but several parts are wrong...you know those "tremolo" leads in there, that's actually a

harmonized tapping lick. The tab is good enough if you really want to play this song you should listen to as many versions as you can so you can come up with your own 1 guitar version and rock away!

(Guitar Recorded Versions). Featuring note-for-note transcriptions with tab for Lynch's inventive solo work as well as selections from his days with Dokken and the Lynch Mob, this great guitar songbook includes 16 songs in all: Alone Again \* Breaking the Chains \* In My Dreams \* Into the Fire \* It's Not Love \* Kiss of Death \* Long Way Home \* Love Power \* Mr. Scary \* Street Fighting Man \* Tangled in the Web \* Tooth and Nail \* Wicked Sensation \* and more. Also features an introduction by Lynch himself!
