**John Legend : Best of John Legend Songbook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best of John Legend Songbook:

2 of 2 people found the following review helpful. It's okay. By Customer I wish the book had a complete piano score instead of simply doubling the melody. All in all, the book is still pretty good. It does give you the chords. 0 of 0 people found the following review helpful. My girlfriend is a beginner pianist and she has loved learning how to play using this book. By Customer My girlfriend is a beginner pianist and she has loved learning how to play using this book. They songs are recognizable so you can easily adjust when something sounds off. Great compilation of music, as well. 1 of 1 people found the following review helpful. Five Stars By Natalie Every song is epic. He has a song for every mood; how refreshing.

(Easy Piano Personality). 14 of the best hits so far by this soulful singer in accessible Easy Piano arrangements,

including: All of Me \* Everybody Knows \* Made to Love \* Ordinary People \* So High \* Stay with You \* Used to Love U \* Who Do We Think We Are \* You and I (Nobody in the World) \* and more.
