You'll have to mix it up a bit on some songs, like Electric Eye. Nothing from Sad Wings of Destiny or Painkiller, and I sadly can't find good tab for those albums. The 'official' stuff on their website is terrible, Song List: Breaking The Law, Electric Eye, Freewheel Burning, Heading Out To The Highway, Hell Bent For Leather, Hot Rockin', Living After Midnight, Ram It Down, Some Heads Are Gonna Roll, Turbo Lover, You've Got Another Thing Comin', The Green Man, Alanshi, The Hellion, Cathedral Spires, Burn In Hell. 0 of 0 people found the following review helpful. Aside from By Jeff Welch First off, I agree that there could have been a different mix of songs but everyone has their own idea of which songs are best. Aside from that, the transcribed tab

Too bad I can't turn back time.0 of 0 people found the following review helpful. Great songs accurate tabsBy CuleAccurate tabs if you know how read it, i mean to translate it to other positions in the neck to play better , great classic songs. I'm still waiting for guitarbook of the last album, Redemers of Souls with Richie Faulkner on lead guitar, lots of Randy/Wylde inspiration solos!
